Concord January 7 1882.

Dear Miss Chandler.

Enclosed is a ticket of admission to the Woman's Club on Monday next. Not remembering whether you are a member, I send this, hoping to catch some of the former inhabitants of your dear place and interest it, as

am then to read a Sonnet or
two on that afternoon.

May I call for you at any
place in the city?

Yours affectionately,

A. Benson Hatch

Miss Ellen A. Chandler
